On 10/24/2014 Approximately between times ^{am} 11-5^{pm}
 Unit Manager, Jacob Beasley of Telfair State Prison
 Came to my cell E-1 238 in a aggressive enraged
 manner. Threatening to spray a whole can of O.C. Spray
 in my cell if I did not cuff up. Me being in extreme
 fear of my life cause of the cruel damaged ^{conduct}
 of Unit Manager Beasley, J. I followed directive
 and went to flap with my hands in front of
 me cause I already have a fractured arm ^{elbow}
 and a displaced bone in my right arm. I was told
 to turn around to be hand cuffed behind my back
 which I now have a front hand cuff profile because
 being hand cuffed behind my back is forcing me
 to bend a fractured displaced bone. Unit Manager
 Beasley could not get hand cuffs on my arm due to soft
 cast and ace bandage wraps steady pulling my right
 already (fractured and displaced) further and further
 back through the flap inflicting pain on a arm that
 is already severely damaged. I could not bare the pain
 I pulled Fractured and displaced arm inside to assist
 them handcuffing by moving my bandages up so he
 can go ahead and hand cuff me without inflicting
 anymore pain. Unit Manager Beasley, Jacob

took left arm and forcefully snatched it out the flap of cell E-1 238 and bent arm against metal door applying pain forcefully and Unit Manager Beasley stated "I'll Break This Mother fucker" I replied "I'm not resisting I'm in pain and was only trying to pull bandages up so you can handcuff me! The enraged Unit Manager states "put your mother fucking arm out" Steady bend my left through 238 flap that already had one hand cuff on it. Yet again forcing me to put my fracture and displaced (right arm) behind my back. I was pulled out of cell 238 E-1 forcefully by Cert team, with SGT. Smith, SGT. Fasion, L.T. Sikes, OFC. Craveth all present and also incident being recorded by dorm E-1 cameras and also a hand held camera being recorded by Lieutenant Sikes. Unit manager Jacob Beasley grabbed my right (fractured) steady pulling and squeezing my right fractured arm putting me in more pain and exactly where injury was sustained and thaws where Jacob Beasley was pulling and squeezing obviously trying to intentionally. I was taken to E-2 121 where Jacob Beasley told Cert and assisted taking off my soft cast which is only suppose to be removed by medical. Soft cast was removed and thrown and bent by Jacob Beasley, Unit manager. Jacob Beasley then told Cert to take my pants off and strip me I looked back and ask Unit manager Beasley did he ~~care~~ ^{Care} about

me or whats going on with me he replied "no". I was left living in fear cause I just went through a similar situation like this where I was left in a cell with a fractured arm/Elbow and almost had a stroke at a prior prison.) This incident took place on Oct 24, 2014 I was not taken to medical or seen by a nurse until 10/27/2014 which I have medical documents supporting that and also medical Nurse Cravey can verify she did not see me until 10-27-2014 when incident took place 10/24/2014 when that is a clear violation of my rights and also G.O.C. Policy (U-H30-0009 (4)(5) I wrote Wardens, Statements, letters I was retaliated against with Disciplinary Reports that was reversed by Internal Affairs due to clear retaliation. My property was taken and claim to be missing. I have paper work on all of this supporting my claim. I even went to warden of prison William Danforth and nothing was done, He is head warden of operations of Telfair State Prison. On 11-13-2014 I was taken to I.O. by cert team where I was told by Cert team SGT. Ochletree where I'm being transfered to I need to get me a shirt and some metal. And that they were going to be waiting for me at the front gate and that I would not see a black person after I leave the front gate. I asked SGT.

Ockle tree where am I going and that's when Unit Manager Jacob Beasley walks in and SGT. Ockle asked Unit Manager Beasley could he tell me where I'm going and that's when SGT. Ockle tree told me Your going to Smith State prison! And that's when Jacob Beasley stated "Yeah they got something for you at Smith he won't last a week before he is a dead man! SGT. Ockle tree was steady stating "get you some metal they stabbing at Smith they gone stab you. It ~~was~~ ^{was} a female officer present along with Cert team Brown and a few for members I was transported to Smith State Prison by one Cert team officer and the female officer Ms. Anderson the officer that was present when these statements was made to me. SGT. Ockle tree and Jacob Beasley violated Jop / G.D.C. rules by even telling me where I was beeing transferred too to begin with.

Also I was left with emotional stress, and fear of feeling like I was transferred to Smith State Prison as retaliation against me. Upon my arrival to Smith State Prison I was put directly in population and was not asked to write a statement saying I did come to population or was I even properly evacuated to see if I had enemies at this prison. Also I had asked ofc. Anderson the female officer did she hear what the Cert team and Jacob Beasley said to me She replied yes. And the other Cert team

Officer stated they was just playing. "You don't
joke with peoples lives I replied" I was put in
Dorm G-2 of Smith State Prison which is considered
the worst dorm on compound. I was put in a dorm
where majority of the inmates are disciplinary inmates,
and has life sentences, or life without. This prison
is understaffed and has ready availability of knives
and other weaponry. Inmates are openly using drugs
like Meth, Cocaine, Crack, marijuana especially
meth! This prison is so badly understaffed they
have one officer in the chow hall with 100 inmates
and that is a huge security issue and to the safety
inmates. I was placed in a housing dorm with lifers
when I have a Level one crime severity crime
non-violent. I have no violent charges or violent disci-
plinary reports. This prison is infested with rats,
mice, showers are nasty and dirty, cells are nasty/fil-
thy this prison should be condemned. I was placed
in a dorm where I was surrounded by gang members
with knives they had been up 2 or 3 days on meth
known as ice. I was forced to live in fear cause of
me beeing sent to a Level 5 prison where you can
die at any time. Also at a prison like this it should
be 24 hour medical treatment available it
is not which that is a huge safety issue to the
inmates at ~~Smith State Prison~~ Smith State Prison.

Smith State Prison / Warden Stanley Williams

12/2/2014 I asked Warden Stanley about sending out my legal mail. Warden Stanley has a 3.00 limit on the store for people on store restriction and I have legal paperwork that has dead lines in counts of law. Warden Stanley replied " ~~write~~ write me a letter and I will look at your disciplinary history and will see if I let you send out your legal mail ~~extr.~~ extra. I ask Warden Stanley again what does my legal mail has to do with my conduct he replied if you wouldn't be down here in Tier 1 or on store restriction you could send out your legal mail on time. That is a clear violation of constitutional rights and S.O.P. and law/state/federal. I didn't argue with Warden I simply said 'yes sir' to avoid retaliation and wrong doing and more violation of my rights. Warden Stanley Williams is head warden and inside the prison walls he has the last say so which leaves a prisoner no win inside these prison walls, I'm reaching out for outside support also the mail room denied my ~~right~~ right to send out legal mail and I have that in writing

While I was at telfair my Legal Disc was taken and my personal legal mail was reviewed by Cert team and Deputy Warden. When I had paperwork stating what they were. I was told by SGT. Oklefree In I.D. also before I was transferred that I was stupid he watches my legal Disc sent by police dept. and that I told on my self. That is a violation of my rights. To read or watch certified mail that I have not even seen yet. Sgt. Fasion told me that the warden had my disc and my disc was held almost 4 weeks with no explanation why. I wrote and asked every day still no reply.

Also I was denied to buy postage and stamps at Smith State prison by Warden Stanley Williams.

V. State of Claim Smith State Prison

The present day at Smith State Prison ~~and~~ and also other prisons. You have uncontrolled violence and substantial risk. A lot of the violence in Georgia Prisons are coming for numerous things. The main things are contraband in the prisons, cell phones, Drugs, Meth, and inmates having relationship with officers and causing jealousy and problems between inmates. The prison environment is not mandated to be "comfortable" but it's not mandated to be "inhumane" either. Look how many deaths has been at Smith State Prison alone in the last 10 years. Just recently during the month of November or December an inmate just killed his self in the ~~the~~ tier building by hanging. Inmates robbing other inmates for phones, Cigarettes, Marijuana, Meth, pills. Inmates stabbing other inmates cause they in love with a female officer and you holding conversation with this officer. A lot of Incidents go with out being reported cause inmates have phones and are connected from prison to prison, Gang to Gang. So many inmates forced to live in lock down buildings because they are in fear of being killed by another inmate or officers that feel you are telling or exposing other officers. At Smith State Prison Inmates are in the chow hall with one SGT. Supervising 80 to 90 inmates. If 10 inmates feel they want to stab you how ~~can~~ Can you defend yourself? And how can one officer stop 10 people stabbing you? End of Statement.

My arm was still in extreme pain from being forced to do that Unit Manager Beasley could not get cuffs on my arm due to soft cast and ace bandages steady pulling my arm further and further back inflicting pain on a arm that is medically severely hurt. I could not bare pain I pulled broken are inside to assist them hand cuffing me Unit Manager Beasley took left Arm forcefully scratch it out the flap of 238 and stated "I'll break this mother fucker" "Mother fucker"

RESOLUTION REQUESTED: Unit Manager Beasley Jacob has no self control very unprofessional to young minded to even hold a unit manager position. He is also power struck, no regards to inmate as human beings. My situation is self explanatory all it took was 5 minutes of a good unit manager to look into situation All would have been avoided. But when you are power struck and have ego to maintain you make bad decisions, and you have no understanding that is not a position of a unit manager. My resolution is unit manager Jacob Beasley be terminated, Charge with assault and battery and put in prison, and sued for neglect, cruelty, assault. All on recorded video incident true facts. I do not want unit manager Beasley within 50 feet of me, I would like immediate transfer for my safety and security and a verbal apology from Unit Manager Jacob Beasley. I would like for my food to be replaced and my C.D. Player / head phones / 87 soaps / 7 tunas / 8 sodas / a chair and also OK, written on OCT. 7, 2014 be took out computer cause it is invalid OCT. 7, 2014 - OCT. 22, 2014 is clearly 16 days Invalid O.R. L.T. Fitzpatrick I want him taken off Admin Lieutenant and not over O.R.'s anymore. He cannot hear anymore Dill's for me after this grievance. And stay 50 feet away from me for my life safety Advocate / Counselor Beasley needs to read policy old and new and needs to know what a advocate is. If he would have did proper investigation like a advocate should this would of never happen even after he was told New Policy still nothing he needs to be written up and investigate and fix this whole mess. Again lack of Job performance at T.S.P. L.T. SIKES to be written up / demoted and which I'm in process next of doing!

I replied "I am not resisting" and trying to pull bandages up so you can hand cuff me! The unprofessional enraged Jacob Beasley States "Put your mother f---in arm out" steady bending left arm through 238 flap that already has one and cuff on it. yet again forcing me to put my broken arm behind my back. forcefully I was snatched out Room 238 unit manager J. Beasley, L.T. Sikes, Cert team, Sgt. Smith, Sgt. Fasion Unit Manager Beasley grabbed my ~~arm~~ right (broken arm) steady pulling and squeezing my right arm putting me in more pain and exactly where injury was Substained is where he was squeezing and pulling obviously trying to hurt me intentionally. I was taken to E-2 121 where soft cast is removed and Beasley throws it forcefully bending a medical soft cast I just got Tuesday from Augusta Hospital. Also cast is not suppose to be removed by no non-medical staff which it was of Cert team on Beasley's order and once they removed he threw and bent it, Also I was never taken on for use of force or to have my cast put back on I believe my shoulder is broken and my extreme down left arm still no medical assistance also I think I have re-injured already broken arm even more due to forcefully being pulled by Jacob Beasley squeezed and left untreated after use of force and being force to hand cuff behind my back. I was not even hand cuffed on that arm my right going out institution but forced to cuff behind my back on a serious injury like this. This is clearly Violation of my 8th Amendment right and unusual Punishment and 14th Amendment Due Process Seeking Civil Action and Criminal Charges against Jacob Beasley Everything is recorded on Dorm camera's and L.T. Sikes recorded ~~the~~ incident on hand held camera. I am requesting copy of video sent to both of my lawyers, I ask J. Beasley "Did he care about anything going on with me or my cell being it He took his lips and shook his head No" witnesses L.T. Sikes, Cert Team, Mosley and white Cert officer in recorded video and O.F.C. Delgado inside Rm E-2 121 clearly showing no regret for my life or rather I live or die, now I live in fear of being beaten, hung, possible starvation, set-up with some type of contraband, or possible being murdered by Jacob Beasley and all up under his authority. I am in fear of my life at Telfair State Prison. I am being mentally abused by Jacob Beasley, L.T. Sikes, L.T. Fitzpatrick, I am seeking Civil Action and Criminal charges against Jacob Beasley also for theft by taking on Oct. 9, 2014 All my property was taken by Jacob Beasley and Cert team so he could look for green dots. Property contained 124 bags, 9 bags of cigarettes, 7 tins, 8 sodas, 1 Koss CD/Player, 87 soups as missing, 7 chips missing 8 sodas missing 1 pps cereal missing big bag. I have property sheet returning officer wrote down every missing ~~item~~ Item I refused to sign property sheet and all my property that was took was not there officer agreed. Took place OCT. 9, 2014 17:30 - 17:38 incident on camera. And I have property sheet New policy states IT'S 15 calendar days for a D.R. to be heard in a hearing or D.R. is invalid. 15 days not business, not working day 15 days also states you have (24 hours) to be served a D.R. anything served after 24 hours is a invalid D.R. You cannot be sanctioned on a invalid D.R. Any person that's a D.R. judge or advocate is suppose to have these things and know policy to have there positions. On OCT. 7, 2014 I was written a D.R. by L.T. Davis. D.R. was not heard in hearing until Oct. 22, 2014 by L.T. Fitzpatrick and Counselor Advocate Bowen. D.R. was clearly Invalid OCT. 7, 2014 to OCT. 22, 2014 is clearly 16 days when New policy states 15 days to hear a D.R. at hearing. I stated New policy to Counselor Advocate Bowen which was unsure and I stated to L.T. Fitzpatrick which he was unsure but stated he new for a fact it's 15 business days, and ran D.R. anyway while Counselor Bowen just stood there. I ask them both could they show me this in writing Counselor Bowen never responded L.T. Fitzpatrick stated "I don't have to prove anything to you, you the one got to prove the burden of proof. Flap was slammed in my face D.R. was ran on a Invalid D.R. Counselor Stewart came my cell a hour later I advised her of situation she verified it is 15 calendar days for a D.R. to be heard. L.T. Fitzpatrick was only trying to cover his self knowing he left me in a cell 16 days without running D.R. court. Lack of doing Appeal given to Counselor Stewart to be given to warden. OCT. 10, 2014 I was written a D.R. By Jacob Beasley at 17:30 served on OCT. 10, 2014 17:49 D.R. was clearly served 24 hours by 14 minutes D.R. was not investigated or heard till this day. I have proof in writing on late Prison of Jacob Beasley, L.T. Sikes, L.T. Fitzpatrick, and I do not know if I will make it out I live need immediate transfer and phone call to my family and lawyer. Dear Dante Fredrick :

The ACLU of Georgia acknowledges receipt of your request for assistance. We are concerned about the problems faced by jail and prison inmates, but our limited resources only allow us to provide assistance in certain cases. We will keep your correspondence on file, but we cannot offer direct assistance at this time.

If your complaint is related to prison conditions (mistreatment, poor medical care, etc) you might want to consider filing a grievance with the prison authorities. In general, you must file a grievance first before any outside agency will even consider trying to help. Try to keep copies of your original grievance and any responses from the authorities.

Please note: The ACLU of Georgia is not a direct legal services provider, and **we are not providing legal advice or undertaking legal representation of you.** We are enclosing a list of organizations concerned about prisoner rights and prison conditions. We suggest that you contact them for possible assistance, and hope that one of them might be able to help.

Sincerely,

Erika

I was assaulted on 10/24/2014 by Unit Manager Jacob Beasley. I was not taken to medical ~~or~~ or seen by medical until 10-27-2014 and that was by nurse Cravey of Telfair State Prison. Incident was all recorded on camera by G.T. Sikes. I had receive severe pain to my wrist "Left" and arm and shoulder.

Medical Records show proof that I was not seen until almost 3 days later which is a clear violation of G.D.C. Policy and S.O.A. / Standard Operating Procedure of the State of Georgia. A X-RAY should have been taken of L-Wrist, L-Arm, L-shoulder at Telfair State Prison. NO X-RAY was performed and I still to the present day have pain in my wrist and arm and shoulder from being assaulted at Telfair State Prison by Jacob Beasley Unit Manager of Telfair State Prison.
